SQUARE D™

X Series Wiring Devices

Setting the new standard in residential and light commercial wiring devices

Smarter connectivity. Better looks. Faster installations.

The new **Square D™ X Series** has changed the game in wiring devices, overnight. It's as if a switch was flipped on — and now switches will never be the same. Neither will outlets nor dimmers.
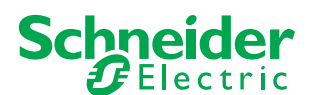

Why? Because the X Series sets the new benchmark for what homeowners and electricians can expect out of their wiring devices. Unlike conventional options, they're faster and easier to install. Their flush-facing and smooth surfaces look great. And they can support Wi-Fi and Z-Wave connectivity.

Life Is On | Schneider Electric

Switches

- Swap and upgrade plates without the need to remove the switch from the wall
- Support single pole, three-way, and four-way switches

Dimmers

- Eliminate near-off flickering on LED lights
- Power dimmable compact fluorescent and LED lamps up to 150 W
- Accommodate incandescent and halogen bulbs up to 600 W
- Comply with California Title 24

Sensors

- Detect both occupancy and vacancy in one device, with 180-degree views and up to 800 square feet of coverage
- Adjust timing for fans and lights in increments of 10, 20, or 30 minutes
- Set relative humidity levels between 45 – 80%
- Control manually at any time via pushbuttons

Receptacles

- Elevate safety with discreet tamper-resistant black shutters
- Install faster with a ground wire hole that lets you quickly wrap the ground wire to the ground screw
- Speed up wiring with easy-to-access side-mount pressure plates
- Enhance kitchen and bathroom safety with GFCI receptacles with auto-monitoring every 90 minutes
- Charge two devices at once with USB receptacles that deliver up to 2.4 A per port

Wall plates

- Choose from a full offering of both screwless and standard screw-style plates
- Remove and replace plates quickly, without sacrificing secure mounting
- Extend product lifetime with super durable polycarbonate resin

Fan control

- Install quickly with clearly identified rear wires and other quick connection features
